

POSTER SESSION, posters in addition to the posters presented in the technical sessions

<p>Risk evaluation and management Smart Robotic Framework For Sewer Conservation, Saniya Ansari, India</p>	<p>Monitoring and Control of Drinking Water Quality and Supply Systems Strengthening Local Capacity For Water Quality Monitoring To support Rural WSP Implementation In Vietnam, Nguyen Huu Hung, Vietnam</p>
<p>Water Safety in Small Systems Impact Assessment And Audit Of WSP Program Of 15 Pilot Projects In Nepal, Kishor Panthee, Nepal</p>	<p>Effective Monitoring And Control Of Water Supply Systems As A Panacea For Quality Water Provision In Nigeria: A Case Study Of Lokoja Water Treatment Plant, Fidelis Amanahu, Nigeria</p>
<p>Water Safety Plan Auditing and Implementation Auditing Rural Water Safety Plan In Vietnam: Difficulties And Challenges, Do Hien, Vietnam</p>	<p>How To Complete Full-scale Test Trials With Non-pathogenic Micro-organisms Enterococcus Faecium NCIMB2699 And MS2 Bacteriophage, Paula Pellikainen, Norway</p>
<p>Climate Resilient Water Safety Plan Assessment of Probability Precipitation Using High Resolution Precipitation Dataset In Korean Peninsula, Jinwook Lee, Republic of Korea</p>	<p>A Key Point In The Italian WSP Implementation: Use Of A Cloud computing, Federica Nigro di Gregorio, Italy</p>
<p>Risk Based Approaches in Drinking Water Regulation Drinking Water Disinfection Strategies For Health Risk Minimization In Case Of Cement-mortar Lined Pipes, Gaia Pani, Italy</p>	<p>Use Of Hybrid Ion Exchange Resin For The Removal Of Fluoride From Groundwater, Aritro Banerjee, Norway</p>
<p>Water Reuse in Water Safety Planning Sustainable resource recovery through optimal treatment and use of oilfield produced water, Moumita Bhaumik, India</p>	<p>New and emerging risk Emerging Risk Of Non-point Source Pollution In Irrigation Canal Systems - A Case Study On V&W Canal In South India, Siva Kishan Nandyala, Norway</p> <p>Emerging Contaminants In Water Environment: Bisphenol A (BPA) Removal From Wastewater In A Denitrifying Biofilter, Subhashis Das, Norway</p>
